*The Miriam Hospital d.b.a. Women's Medicine Collaborative

Physician Accreditation: The Miriam Hospital is accredited by the Rhode Island Medical Society to provide continuing medical education for physicians.

The Miriam Hospital designates this live activity for a maximum of *2.5 AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity is also designated for *2.5 Credits* to satisfy the Rhode Island Dept. of Licensure requirements for Universal Precautions credits.

This activity is (also) designated to meet the definition of Risk Management Study for a maximum of *1.0 Category 1 Credit(s)* in Risk Management.

To request reasonable accommodation for a disability, please contact The Miriam Hospital CME office at (401) 444-4260.

Nursing Accreditation: This program has been submitted and is pending approval for *2.5 contact hours* through the Rhode Island State Nurses Association (RISNA). RISNA is accredited as the approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

Learning Objectives: At the conclusion of this session participants should be able to:

1. Describe the epidemiology of *C. difficile* infection (CDI) and practice methods to prevent transmission.
2. Define the role of surgical consultation and treatment for severe CDI.
3. Discuss the impact of CDI in patients with inflammatory bowel disease.
4. Summarize fecal microbiota transplantation (FMT) for CDI.
5. Explain the role of the human gut microbiome in health and disease.

Who should attend:
Medical: PCP's, Family Practitioners, Internists, Nurses and Surgeons, Gastroenterologists, Immunologists, ED Physicians, PT's, Hospitalists and Infectious Disease Specialists.

Public Health: Policy Makers, Legislators, Community-based Social Service Providers.
