MESSAGE FROM THE PRESIDENT AND CHIEF EXECUTIVE OFFICER AND THE CHAIRMAN OF THE BOARD

It's our pleasure to share with you the Lifespan annual report for fiscal year 2018.

Its pages illustrate the myriad ways we deliver superlative care, whether in the operating room, at the bedside, at a Lifespan Physician Group practice or a Lifespan Lab. The numerous institutional and professional distinctions detailed here evidence that quality.

As a major academic medical center, we help shape the future by educating and mentoring the next wave of highly skilled physicians and supporting groundbreaking research that is funded by multimillion dollar grants.

We are honored to serve the community in ways that reach far beyond the walls of our hospitals and affiliated services. To mention just a few:

- We welcome young people to gain work experience by participating in Project Search, Year Up Providence, and our summer youth employment program. In many cases, we recruit these interns to join the Lifespan team at the completion of their training.
- In addition to substantial uncompensated medical care, Lifespan and its affiliate hospitals give financial and in-kind support to projects, events, and programs that align with our mission of improving the health of people in the communities we serve.
- Our employee members of Team Lifespan participate in numerous fundraising road races, walks, and other volunteer efforts that benefit the wider community.
- Through Lifespan Community Health Institute, we offer hundreds of programs, events, and community service activities with the goal of helping residents in Rhode Island and beyond achieve their full health potential.

Beyond the care we provide to our communities, Lifespan has a substantial impact on the economic health of Rhode Island. A study by the Association of American Medical Colleges spotlighted the role of The Warren Alpert Medical School of Brown University and its affiliated teaching hospitals as a vital driver of the state's economy. The study estimated the impact last year at 26,449 jobs across the state, providing \$1.83 billion in labor income, and spurring \$2.6 billion in direct and secondary economic contributions.

We are proud to employ more than 15,000 talented, compassionate, and devoted individuals who live and work by our shared CARE values: compassion, accountability, respect, and excellence. Supported by our superior doctors, nurses and other clinicians who strive daily to achieve our mission of [*Delivering health with care.*](#) Our profound thanks go to each of them, and to you, the neighbors we serve.

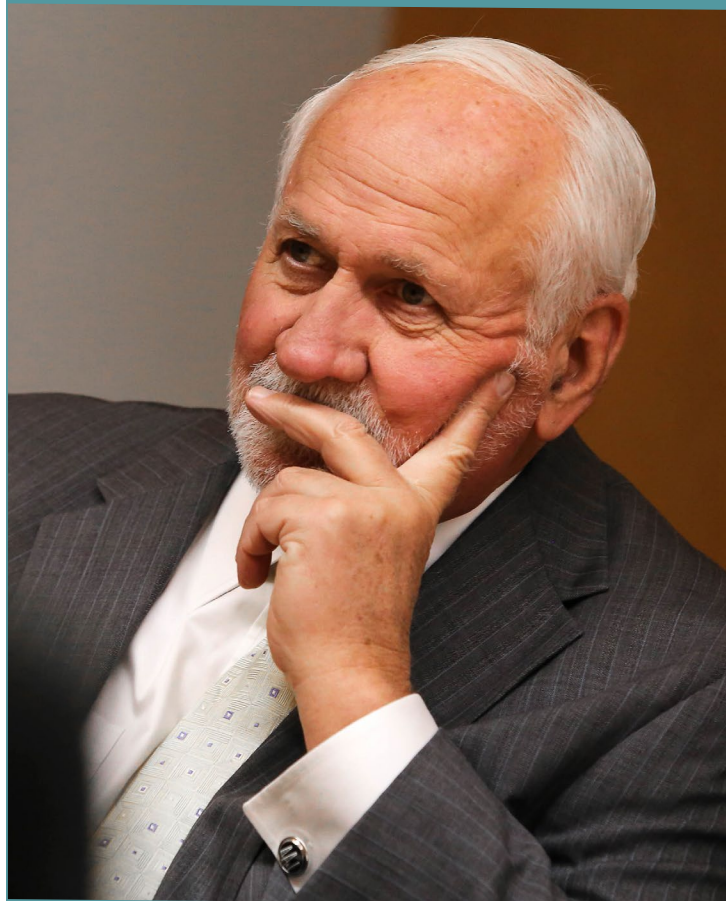

Sincerely,

Timothy J. Babineau, MD

CLINICAL SERVICES

- [Lifespan Rehabilitation Services](#) expanded to Lincoln.
- [Lifespan Physician Group](#) and the [Women's Medicine Collaborative](#) added offices for obstetrics and gynecology and women's imaging at 148 West River Street in Providence.
- Lifespan introduced the [Concussion Care Center](#) for adults and children.
- The Miriam Hospital opened an [Ostomy Center](#) to provide compassionate care for patients confronting the physical and emotional challenges of managing an ostomy.
- [The Miriam Hospital's emergency department](#) established a clinical decision unit to alleviate overcrowding in the ED and the hospital, serving patients expected to stay less than 24 hours.
- Newport Hospital's [partial hospitalization program](#) added a track devoted to patients with coexisting substance use and mental health disorders.
- The [department of physical medicine and rehabilitation](#) was created at Rhode Island Hospital, with Alexios Carayannopoulos, DO, MPH, an interventional physiatrist, as its chief.

Mary Cabral, NP, and Erin DellaGrotta, BSN. Ostomy Clinic, The Miriam Hospital

Newport Hospital Partial Hospitalization Program: Philip J. Schmitt, MD, Psychiatrist; Jon E. Brett, PhD, Psychologist; Jennifer Fletcher, Social Worker; Christine Forte, LICSW, Clinical Social Worker; Jackie Henderson, Recreational Therapist; Susan Pratt, Clinical Social Worker

- The Lifespan Cancer Institute opened the [Sickle Cell Multidisciplinary Clinic](#) at Rhode Island Hospital. The clinic gives patients a medical home, helping reduce emergency department visits and inpatient admissions.
- Bradley Hospital expanded its residential program from five houses to seven, adding [Compass House](#) for adolescent girls and The Bradley Center, which provides services for adolescents dealing with substance use.
- Bradley Hospital opened the [Verrecchia Clinic for Autism and Developmental Disabilities](#) for children who have behavioral or emotional challenges along with a developmental condition such as autism or intellectual disability.
- The Miriam Hospital adopted [ExpressCare](#), a service that provides round-the-clock access to expert adult and pediatric critical care transport teams to transfer patients between hospitals in a state-of-the-art ambulance.
- Bradley Hospital established the [co-occurring disorders program](#), an intensive outpatient service that provides care to adolescents who are struggling with a wide variety of mental health and substance use issues.

LIFESPAN PHYSICIAN GROUP

Lifespan Physician Group, the largest multispecialty practice in Rhode Island, continues to grow. As of November, the practice had 1,020 employees, of which 711 are providers — 475 MDs, 110 PhDs, and 126 advanced practice providers.

PATIENT SAFETY AND QUALITY OF CARE

Lifespan aims to provide the highest quality care while working efficiently and safely.

Our teams:

- Continued the deployment of Lean and Six Sigma tools and training, achieving one black belt, five green belts, two silver belts, and 75 yellow belts.
- Facilitated the implementation of the Lifespan-wide telemetry policy to reduce inappropriate use.
- Implemented daily safety briefings at Rhode Island Hospital and The Miriam Hospital.
- Completed The Joint Commission Targeted Solutions Tool Training for improving handoff communication.
- Participated in the Agency for Healthcare Research and Quality's Culture of Safety Survey at Lifespan.
- Developed a SharePoint data model for 2019 Accountable Care Organization data submission, ensuring coordination, efficiency, and reliability of data.
- Standardized hospital-acquired condition reviews.

In December 2017, Lifespan and GE Healthcare announced a commitment to increase capacity within the Lifespan system while reducing the cost of care. The agreement targets \$182 million in organizational efficiencies for Lifespan over the course of six years. The first year already has yielded successes and improvements in processes.

GROUNDBREAKING RESEARCH

Awards from the National Institutes of Health (NIH) and other sources, totaling more than \$84 million, support our pioneering academic and clinical research. Some highlights:

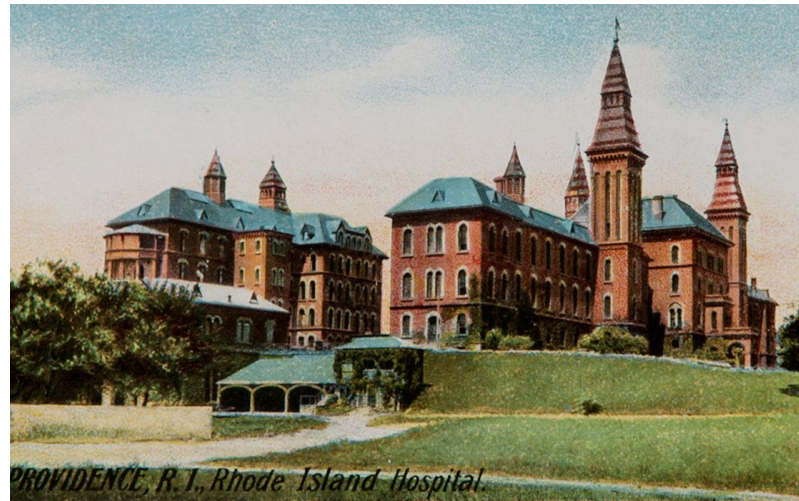

- A research team at Hasbro Children’s Hospital received a \$1.8 million grant from the NIH to study the [effects of environmental exposures](#) on the health and development of children.
- Researchers at Rhode Island Hospital and The Miriam Hospital won a \$9.4 million federal grant to explore new treatments to combat antibiotic-resistant bacteria, an urgent public health concern. The NIH grant established a Center of Biomedical Research Excellence (COBRE) called the [Center for Antimicrobial Resistance and Therapeutic Discovery](#).
- Rhode Island Hospital received an \$8.8 million grant from the National Heart, Lung, and Blood Institute to develop a [community-based pediatric asthma care program](#).
- NIH awarded The Miriam Hospital \$215,157 to study an [innovative opioid addiction treatment program](#) that serves prisoners in the Rhode Island correctional system.
- The [Pediatric Anxiety Research Center](#) at the Bradley/Hasbro Children’s Research Center received a \$3.4 million award from the Patient-Centered Outcomes Research Institute to compare patient-centered (in-home) and provider-centered (in-office) outpatient treatment for children with anxiety and obsessive-compulsive disorder.
- NIH awarded The Miriam Hospital a \$9.1 million grant to continue initiatives at its [Providence/Boston Center for AIDS Research](#), a collaboration between Lifespan, Brown University, and Boston University/ Boston Medical Center.
- The Miriam Hospital received a \$2.5 million federal grant to partner with [Project Weber/RENEW](#) and the Rhode Island Public Health Institute to improve substance use and mental health treatment for gay and bisexual men.
- The [Bradley Hasbro Children’s Research Center](#) bucked the trend of declining federal research funding. In fiscal year 2018, the center saw a 5 percent year-over-year increase in federal funding, garnering \$25.4 million to support 17 new, multi-year projects.
- [Lifespan Cancer Institute](#) is among six cancer programs nationwide studying whether patients who electronically report their symptoms have fewer hospitalizations following surgery or chemotherapy.
- Hasbro Children’s Hospital physician [Mark Zonfrillo, MD](#), helped author a study that examined the rising cost of non-fatal injuries in the United States — estimated at \$1.9 trillion in 2013. The study recommends risk factors that should be addressed to reduce these injuries.
- Leaders of Lifespan and [Lifespan Cardiovascular Institute](#) signed an agreement with a delegation from Huazhong University of Science and Technology’s Tongji Medical College and Union Hospital in Wuhan, China. The pact establishes an [exchange program centered on cardiovascular research, cardiology, echocardiography, and cardiovascular surgery](#).

MILESTONES

- October 1, 2018, marked 150 years since the doors of [Rhode Island Hospital](#) officially opened to patients. On October 6, 1868, John Sutherland, a 59-year-old shoemaker, was the first patient to be admitted.
- A robot-assisted simple prostatectomy was performed for the first time in the region by [Gyan Pareek, MD](#), co-director of the Minimally Invasive Urology Institute and director of the Kidney Stone Center at The Miriam Hospital.
- On May 29, 2018, the [Lifespan Cardiovascular Institute's Valve and Structural Heart Program](#) completed its 500th transcatheter aortic valve replacement.
- Public health experts from around the country gathered at Brown University September 27 to mark the 20th anniversary of the [Providence/Boston Center for AIDS Research](#) based at The Miriam Hospital.
- [Lifespan Physician Group](#) surpassed the milestone of 1,000 employees. As of November, the practice had 1,020 employees, of which 711 are providers – 475 MDs, 110 PhDs, and 126 advanced practice providers.
- [Jason Rafferty, MD](#), a psychiatrist and pediatrician who runs gender diverse and transgender clinics for Hasbro Children's Hospital and Thundermist, was lead author of a new policy statement from the American Academy of Pediatrics on supportive medical care for transgender and gender-diverse youth.
- [W. Scott Walker, MD](#), a gynecologist with the Lifespan Physician Group and director of Minimally Invasive Gynecology Services, performed his 1,000th robotic surgery, making him the 11th highest-volume gynecologic robotic surgeon in the nation.

W. Scott Walker, MD

Gyan Pareek, MD

Baby Selwyn Hess with mom Emily Hess at Hasbro Children's Hospital

- In May, a team of physicians and nurses at Hasbro Children's Hospital performed a [life-changing spina bifida repair](#) on a fetus in his mother's womb, a first for Rhode Island. In July, Emily and Brian Hess of Attleboro welcomed their fourth son, Selwyn. Members of the team included **Dr. François Luks**, pediatric surgeon-in-chief; **Dr. Petra Klinge**, director of the pediatric neurosurgery division; **Dr. Konstantina Svokos** and **Dr. Elizabeth J. Renaud**, pediatric surgeons; **Dr. Denis Snegovskikh**, an obstetric anesthesiologist; and from Women & Infants Hospital, **Dr. Stephen Carr**, a fetal medicine specialist.

DISTINCTIONS

- IBM Watson Health included Rhode Island Hospital on the list of [50 Top Cardiovascular Hospitals for 2018 and for 2019](#), the fifth time the distinction was received.
- The cardiac and pulmonary rehabilitation programs of Newport Hospital's [Vanderbilt Rehabilitation Center](#) outpatient program won national certification from the American Association of Cardiovascular and Pulmonary Rehabilitation.
- The three eligible Lifespan affiliates — Rhode Island, The Miriam, and Newport hospitals — were among fewer than 1,000 hospitals nationwide awarded an A in the [Leapfrog Hospital Safety Grades](#) in October 2017 and April 2018.
- Healthgrades, an online resource for information about physicians and hospitals across the nation, honored Rhode Island and The Miriam hospitals as recipients of the [2018 Distinguished Hospital Award for Clinical Excellence](#), joining 248 other hospitals across the country.
- The nurses in the [Cardiothoracic Intensive Care unit](#) at Rhode Island Hospital were recognized for their excellence in care and outcomes. The unit

received the **Silver Beacon** designation from the American Association of Critical-Care Nurses for the third time.

- For the second time, Lifespan's four hospitals— Rhode Island, The Miriam, Bradley, and Newport— achieved Top Performer status on the [Healthcare Equality Index \(HEI\)](#), a national benchmark of hospitals' policies and practices related to equitable and inclusive treatment of their LGBTQ patients, visitors and employees.
- The Miriam Hospital was ranked first in the Providence metropolitan area in [U.S. News & World Report's 2018-19 Best Hospital rankings](#).
- *Providence Business News* named Lifespan to its **2018 list of 34 healthiest employers in Rhode Island**. The honor is awarded for encouraging healthy habits in employees and general workplace wellness.
- Rhode Island, The Miriam, and Newport hospitals were recognized for their excellence in stroke care. The American Heart Association/American Stroke Association honored all three hospitals as recipients of their [Get With The Guidelines-Stroke Achievement Award](#) with additional distinctions.
- The Miriam Hospital was again named a [Blue Distinction Center for Knee and Hip Replacement](#) by Blue Cross Blue Shield of Rhode Island for its Total Joint Center. The Total Joint Center also earned The Joint Commission's Gold Seal for advanced certification of hip and knee replacement, and was ranked "Best in Rhode Island" for total joint replacement by CareChex, a national nonprofit.
- Newport Hospital earned designation as a [Baby-Friendly hospital](#) for the fourth consecutive time. The Baby-Friendly Hospital Initiative was launched by the World Health Organization and UNICEF in 1991 to encourage practices that protect, promote, and support breastfeeding.

LIFESPAN IN THE COMMUNITY

Lifespan's commitment to be a caring and supportive neighbor drives our outreach to the wider community.

- The heartwarming [Good Night Lights](#) ritual at Hasbro Children's Hospital marked its third anniversary in December. NBC's *Today* show and Cheerios honored its creator, Hasbro Children's volunteer **Steve Brosnihan**, with a Goodness Grant and sent a camera crew to document the tradition.
- During the annual **Season of Giving**, initiatives such as food and toy drives, collections of warm outerwear, and the gingerbread house kit sale were organized to brighten the holidays for our neighbors in need. A new collaboration with Ocean State Job Lot in November 2018 yielded 50,000 pounds of food to supply pantries.
- The [Lifespan Community Health Institute](#) expanded its *Connect for Health* program to serve patients of Rhode Island Hospital's Center for Primary Care in addition to patients and families of the primary care clinic at Hasbro Children's Hospital. The program links patients to the basic resources they need to be healthy.
- The Cranston Police Department and the [Lawrence A. Aubin, Sr. Child Protection Center at Hasbro Children's Hospital](#) are collaborating on a canine comfort therapy program that is believed to be the first of its kind in the nation. An Australian labradoodle puppy helps foster trust in children who are victims of maltreatment, including sexual and physical abuse.
- [The Autism Project](#) hosted its sixteenth annual Imagine Walk and Family Fun Day for Autism at Goddard Memorial State Park in Warwick.

- [Camp Dotty](#), held on the grounds of Hasbro Children’s Hospital, marked 20 years of giving children with cancer and their siblings the chance to enjoy a traditional summer camp experience. Camp Dotty is financed by The Tomorrow Fund.
- Because studies have shown a powerful link between low literacy and adverse health outcomes, **Newport Hospital** launched a new “*Reading is Healthy*” program to promote family literacy. The program is supported in part by the Newport Hospital Auxiliary.
- In partnership with mental and behavioral health agencies across Aquidneck Island, **Newport Hospital** hosted its first-ever community mental health awareness forum in May. It culminated in a panel discussion on “*Breaking the Stigma of Mental Illness.*”
- The team at [Rhode Island Hospital’s Comprehensive Stroke Center](#) partnered with emergency medical system departments throughout Rhode Island and southeastern Massachusetts to provide education about stroke triage protocols.
- **Rhode Island Hospital** began participating in [Project Search](#), a training program for people with developmental disabilities that helps prepare them for employment. Unlike the youth programs at The Miriam and Newport hospitals, RIH works with adults ages 21 to 30.
- **Teamsters Local 251** generously supported the “*Season of Giving*” food drive by delivering 22,000 pounds of donations to the RI Community Food Bank, as well as transporting the more than 3,200 toys contributed during the Rhode Island Hospital Toy Drive Challenge.
- **Lifespan** and **Tufts Health Plan** were founding sponsors of JUMP Providence, bringing the first [bike-share program](#) to Providence.

INFRASTRUCTURE AND PARTNERSHIPS

Lifespan optimizes facilities to enhance the patient experience and achieve efficiencies.

- After months of planning, hard work, and an outpouring of community generosity, Bradley Hospital dedicated the **Carol A. Peterson Welcome Center** in February, the result of a \$2 million renovation project.
- A \$12.5 million construction project to enlarge and improve the **Newport Hospital emergency department** began in July. The project will add treatment and exam rooms as well as features critical to keeping wait times low, improving patient comfort and privacy, and ensuring the best care for Aquidneck Island and surrounding communities. Completion is expected in September 2019.

- Lifespan and National Grid collaborated on a multi-year plan to identify ways to **save energy** at partner hospitals and off-campus facilities as we continue to grow.
- The **cafeterias at Rhode Island, Bradley, and Newport hospitals** all underwent renovations to refresh their looks and improve efficiency, providing more comfortable and attractive dining space as well as updated menu choices for employees, patients, and visitors.

INFORMATION SYSTEMS

Lifespan's award-winning information systems team implemented system upgrades and enhanced vital security measures.

Louisa P. Jones, application manager; Nancy M. Barrett, vice president; Cedric J. Priebe III, MD, senior vice president, chief information officer; Richard G. Gillerman, MD, CMIO; Michael J. Kramer, CTO/VP IS; Anthony Siravo, MBA, MSIS, vice president, chief information security officer

- For the second consecutive year, Lifespan received **Epic's Magna cum Laude Honor Roll Award**. This program recognizes and rewards clients for their effective adoption and continual optimization of EPIC's electronic health record and associated applications. Because of this award for our implementation of LifeChart, Lifespan received a credit of \$333,750 toward Epic products or services.
- Lifespan received **HIMSS Analytics' EMR Adoption Model Outpatient Stage Six award** for our LifeChart implementation, marking a key milestone in the journey to optimize use of LifeChart in the ambulatory setting. We have expanded the LifeChart Ambulatory EHR to 21 new Lifespan Physician Group and affiliated Lifespan hospital practice locations.
- **Anthony Siravo**, MBA, MSIS, vice president and chief information security officer, received recognition as one of Becker's Hospital Review's 32 hospital and health system CISOs to know in 2018.
- Implemented **Dragon Medical One**, which enables real-time voice-to-text and voice-driven navigation and execution of commands within Epic LifeChart. This enables clinicians to use Dragon from any workstation that connects to Epic LifeChart or from a smartphone using the Nuance Power Mic Mobile app.

IN MEMORIAM

Michael Ehrlich, MD, former surgeon-in-chief and chair of the department of orthopedics at Rhode Island Hospital, and director of orthopedic research at The Warren Alpert Medical School of Brown University, left a legacy of clinical excellence and compassion with his passing in July 2018.

GIVING TO LIFESPAN

BRADLEY HOSPITAL

- [The Verrecchia Clinic for Children with Autism and Developmental Disabilities](#) was dedicated. The hospital remains grateful to the Verrecchia Family Foundation for its previous \$1 million gift.
- **Bravo Bradley** raised more than \$870,000 to support the hospital and enhancements to the Compass Program for adolescent girls.
- Longtime supporters and advocates Bill and Tina Carr were honored with the Bradley Hospital **Humanitarian of the Year Award**.

Bravo Bradley: Event co-chairs Joe and Betty Brito; Daniel J. Wall, Margaret M. Van Bree, DrPH, MHA and Lawrence B. Sadwin.

Humanitarian of the Year Award. Lawrence B. Sadwin, Tina Carr; Governor Gina M. Raimondo, Bill Carr, and Daniel J. Wall.

GATEWAY

- [FRIENDS WAY](#) had a very successful year, raising over \$37,000 from its annual appeal, more than \$60,000 from foundation grants, and \$130,000 from its special events. Capital City Community Center received \$8,000 in foundation grants for its food pantry.
- [The Autism Project](#) had an exciting year and raised more than \$365,000 through fundraising efforts including the annual Imagine Walk.

FRIENDS WAY Diamonds in the Sky gala: Julian Barcelos joins Barbara Morse Silva as co-auctioneer.

Supporting Social Skills Groups and Camp WANNAGOAGAIN! Miny Ortiz, Joanne Quinn, and Jonathan A. Roderick.

The boundless generosity of our donors enables Lifespan to carry out our mission of *Delivering health with care.*

NEWPORT HOSPITAL

- Through FY18, more than \$11 million was raised toward the \$12.5 million needed for the emergency department expansion as part of [Beyond the Building: The Campaign for Newport Hospital](#). Phase 1 of the ED project was completed in Q1 FY19, with full project completion scheduled in fall 2019.
- Newport Hospital's **Summer Celebration, A Salute to Health**, honored **Norey Dotterer Cullen**, and raised more than \$955,000. Of the total, the event's special fund-a-need generated \$530,000 to support the expansion of services at the Lifespan Cardiovascular Institute at Newport Hospital. Our donors' generosity allowed the hospital to provide both cardiac CT for calcium scoring and coronary CT angiography testing. These are the latest in state-of-the-art diagnostic testing for those with risk factors for coronary disease.

Newport Hospital Summer Celebration: Norey Dotterer Cullen with Mrs. Marion "Oatsie" Charles* (*now deceased).

- As an expression of gratitude, Newport Hospital launched a new donor amenity program called *Friend of the Foundation*. The members receive 24/7 access and personalized, caring attention from a donor liaison, assistance in navigating our health care system, and more.

Newport Hospital Summer Celebration: Timothy J. Babineau, MD, Crista F. Durand, Norey Dotterer Cullen, Peter Walsh, and Peter Capodilupo.

HASBRO CHILDREN'S HOSPITAL

- The 2018 **Heroes Ball** raised more than \$977,000 for the hospital's area of greatest need, the transformation of our outdoor healing garden and play areas. The hospital's fourteenth annual **Radiothon**, in partnership with Cumulus Providence, raised more than \$422,000 including ongoing monthly pledges. The **Golf Invitational** yielded nearly \$306,000, and local Dunkin' franchisees presented more than \$155,000 collected during the 2018 **Iced Coffee Day**.
- More than 1,600 University of Rhode Island students, staff, and faculty packed Mackal Field House on March 24, 2018, for the school's inaugural **RhodyTHON**. Students danced for more than 12 hours during the marathon, raising more than \$171,000 for Hasbro Children's Hospital—a record for a first-time Children's Miracle Network Hospitals dance marathon.
- In the second year of the *Every Child, Every Day* campaign, more than \$18.2 million has been raised toward the \$35 million goal. Major gifts and pledges to the campaign in FY18 and Q1 FY19 include **Yawkey Foundation** (\$2.5 million); the **Estate of Christine Colannino** (\$2 million); the **Champlin Foundation** (\$1.25 million); the **van Beuren Charitable Foundation** (\$1 million); **University Orthopedics** (\$600,000); the **Procaccianti Family Foundation** (\$250,000); and **University Surgical Associates** (\$250,000).

Heroes Ball: Phyllis A. Dennerly, MD, Grace Gallonio and Talon Hobbs.

Golf Invitational: James L. Carr, Jr. and Lawrence A. Aubin, Sr.

Radiothon: Former patient Violet Graney and her mother Angela work phone banks.

RHODE ISLAND HOSPITAL

- The **President's Pursuit of Excellence Dinner** raised over \$423,000 and recognized the 2017 Champions: Citizens Bank as Corporate Champion; Sandy Stamoulis, RN, for Lifetime Achievement; and Lisette Prince and her children, Diana Oehrli, Guillaume de Ramel, and Regis de Ramel, as Individual Champions.
- Other significant gifts were received from the **Herbert G. Townsend Trust** for the area of greatest need (more than \$341,000); **Diane Weiss** to support blood-brain barrier research (\$300,000); **Diana Oehrli and The Gruben Charitable Foundation** to support the Lifespan Recovery Center (\$184,000); **Rosalyn Sinclair** to fund equipment and renovations to the Samuels Sinclair Dental Center (\$135,000); and the **Rhode Island Foundation** to support an Alzheimer's initiative and an adult primary care initiative (nearly \$100,000).

President's Pursuit of Excellence Dinner: Barbara Cottam accepting Corporate Champion award on behalf of Citizens Bank; Individual Champion Guillaume de Ramel; Lifetime Champion Sandy Stamoulis, RN; and Margaret M. Van Bree, DrPH, MHA.

THE MIRIAM HOSPITAL

- The **Miriam Hospital Gala and Auction—Experience the Northern Lights**—raised more than \$788,000 for The Miriam Hospital Greatest Needs Fund and helped advance its palliative care program, part of the hospital's renowned oncology services.
- At the 2018 **Annual Meeting**, Suzanne Gilstein was honored as the 2018 Miriam Person of the Year. Through her generous philanthropy and leadership volunteerism, Gilstein's impact on The Miriam Hospital and health care in Rhode Island has been significant and far-reaching.
- The Miriam Hospital gratefully received \$100,000 from **The Edward J. and Virginia M. Routhier Foundation** toward implementing and enhancing hospital security measures. The gift brought the Foundation's philanthropic giving to more than \$700,000, epitomizing its thoughtful generosity to the hospital.

Annual Meeting: Suzanne Gilstein and Timothy J. Babineau, MD.

Experience the Northern Lights: Arthur J. Sampson, Susan H. Kaplan, chair, The Miriam Hospital Foundation Board of Trustees, and event chairs Robin and Marcus Ansell.
