

## N95 Mask Instructions for Use

### Process for N95 use:

1. N95s with storage bags for an employee's weekly schedule will be issued to those employees/providers requiring an N95 for job tasks.
  - Ex. 5-day weekly schedule - Bag #1, Bag #2, Bag #3, Bag #4, Bag #5
  - Ex. 3-day weekly schedule - Bag #1, Bag #2, Bag #3, then for next scheduled shift, use Bag #1
2. At the end of the first shift, the worn N95 should be placed back in Bag #1, and a check mark added to the bag.
3. For the next shift, wear the mask from Bag #2. Continue this rotation for each new shift for the week.
4. Do not reuse a mask that you have worn in the last 5 days.
5. After each mask has been worn 3 times, discard the mask and bag and get a new one.
