

How To Log in to Your Patient Portal

Have your username and password ready?

You're all set!

Log in to the Patient Portal via coastalmedical.com/patient-portal/

Forgot your username or password?

If you have an **active email address** in your patient record, you can manually reset your username or password.

1. Use this link to [reset your username and password](#).
2. A series of prompts will verify your identity.
3. You will receive a password or username retrieval email.

Need more help?

We're here to help!

Contact our Portal support team for questions you have about the portal, such as how to use it and more.

Phone: **866-779-3655**

Email: portal@coastalmedical.com

Portal advocates are available Monday-Friday, 8 a.m. - 4:30 p.m.
