

Please do not enter this facility if you:

- have had any of the symptoms listed below in the past three days*
- are a close contact of a person who tested positive for COVID-19 within the past 14 days**

For the safety of our staff and patients, please do not enter if you have any of the following COVID-19 symptoms:

fever or chills

muscle or body aches

sore throat or
runny/stuffy nose

fatigue

headache, nausea,
vomiting or diarrhea

cough, shortness
of breath

sudden loss of
taste or smell

Rules to Remember:

You must wear a hospital-approved mask that covers your nose and mouth at all times.

Please stay at least six feet (about two arms' length) from other people.

* You may enter if symptoms experienced can be explained by known allergies or non-infectious illnesses.

** Does not apply to people who come into contact with people with symptoms of COVID-19 during the course of their daily work while wearing full and appropriate personal protective equipment (PPE).
