

## Background

**Coastal Medical** is a Lifespan affiliate and a primary care driven practice serving 120,000 patients with a team of over 125 providers located in 20 medical offices across Rhode Island.

Coastal supports the three-part aim of better care, better health, and lower cost and earned an average Medicare Shared Savings Program Accountable Care Organization quality score of 97% (2012-2020). Coastal is committed to providing outstanding care to its patients by offering 365-day access to sick visits, developing chronic care management programs for its sickest patients, and building care teams that support its providers in delivering high-quality care.

Within Coastal, we foster a culture of teamwork, innovation, and shared learning that inspires every employee to continuously improve the care we provide and the services we offer to patients.

In addition to primary care, Coastal Medical offers cardiology, pulmonology, behavioral health, and musculoskeletal health services. Coastal also provides laboratory services to Coastal patients and the community.
