

MEDICATION SAFETY

Put medicines away after EVERY use, even if you need to give another dose in a few hours.

STORAGE

Always put medications up out of reach and out of sight.

Keep visitors' purses, bags, and coats out of reach of children.

ADMINISTERING MEDICINE SAFELY

Always use the dosing device provided. Do not use a kitchen spoon.

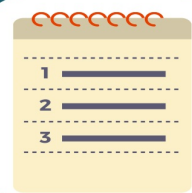

Read and follow labels. Avoid administering two medications with the same active ingredient.

WHAT, WHEN, HOW MUCH

Write clear instructions when others need to administer meds to your child.

Put the Poison Help Number into your phone! 1-800-222-1222
