

We Wish You a Merry Christmas!

Holiday Safety Tips

1

Buy a real tree that's fresh & water it regularly, or buy a fake tree that's flame resistant

3

Keep all types of Christmas trees away from any heat sources!

Make sure to purchase a helmet along with any riding toy gifts such as bicycles or scooters

7

Buy age-appropriate toys for young children to avoid choking hazards

Check holiday lights for frayed cords, loose or cracked bulbs, or poor outlet connections

12

13

Place a baby gate around the tree and hang breakable ornaments up high

Turn off holiday lights and blow out candles before bed or when leaving your home

16

Check the Consumer Product Safety Commission website for toy recalls

Keep all alcohol in locked cabinets & don't leave cups around children during parties

21

Keep kids away from all heat sources: Stoves, space heaters, fire places

24

25

Clean up immediately after all holiday parties, especially stairs and floors!
