

# Drive Safe

This  
Winter

WITH 4-SAFETY

## The Three P's of Winter Weather Driving

-  Prepare For the Trip
-  Protect Yourself and Others
-  Prevent Crashes on the Road

### Stock Your Vehicle

Create a "Winter Weather Box" with the following items:

-  Snow shovel and ice scraper
-  Sand or kitty litter in case your car gets stuck in the snow
-  Jumper cables, flashlight, and warning devices
-  Blankets
-  Cell phone charger, water, and nonperishable food

### Drive Smart

-  Avoid using drugs and alcohol
-  Slow down and increase distance between cars
-  Keep eyes open when pedestrians are out

### Buckle Up and Pay Attention

-  Keep seatbelts buckled at all times
-  Do not engage in other activities that may cause distracted driving
-  Never leave your child unattended in or around your vehicle
-  Prevent thick outerwear from getting in the way of properly fitting your child's car seat harness: place a warm blanket over them once they are properly buckled up
