

Fire Pit Safety

Keep children and pets safe with a 3-foot rule around the fire pit

Contact your local fire department to ask about fire pit rules and regulations

Make sure fire pit is 25 feet from structures in the yard

Have a fire extinguisher nearby

Keep seating at least 3 feet away from the fire pit

Keep a first aid kit close for accidental burns

Check for hanging tree branches or other flammables in the area

Place fire pit in an area protected from the wind

Use a screen and firebreak to prevent flying sparks and embers
