

# SAFETY CHECKLIST

Planning can help keep your child from being hurt.

B

## Back seat:

- Put something in the back seat of your vehicle that requires you to open the back door every time you park – cell phone, employee badge, handbag, etc.

E

## Every child:

- Every child should be correctly restrained in the back seat.

S

## Stuffed animal:

- Keep a stuffed animal in your child's car seat. Place it on the front seat as a reminder when your baby is in the back seat.

A

## Ask your babysitter:

- Ask your babysitter or child care provider to call you if your child hasn't arrived on time.

F

## Focus on driving:

- Avoid cell phone calls and texting while driving.

E

## Every time you park:

- Make it a routine to open the back door of your car every time you park to check that no one has been left behind.
