

How to Apply for a Job:

- Go to www.lifespancareers.org and search for a job that interests you.
- Click on, “Apply for this job”.

- You will be prompted to either “Log in” or “Create an account”.
 - If you are a new user, click on “Register”
 - Fill out your information and select a password.

A screenshot of a login and registration form titled "Welcome". It features two input fields: "Email Address" and "Password". Below the password field is a link "Forgot your password?". There are two buttons: "Login" and "Cancel". At the bottom, there is a section for "New User:" with the text "Create an account to get started on your talent profile." and a "Register" button.

- You can then build your talent profile, upload your resume, add education information etc.
- Follow the steps to complete your profile and apply for the job.

Step 1: Basic Information

A screenshot of a registration form titled "Step 1: Basic Information". It contains five input fields, each with a red asterisk to its left, indicating they are required: "Email Address:", "First Name:", "Last Name:", "Password:", and "Confirm Password:". Below the fields is a link: "Don't have an email address? [Create one here](#)".

Step 2: Create Profile

- You will see a message that says “Application Received” after the last step is completed.
