

How to change your Password:

- Log in to your account
- Click on, your name next to the Language tab up top.

- Click on "Change password".

- Follow the steps to complete your password change.

The screenshot shows a "Change Password" form. It has three input fields: "Current Password" with the label "Please verify your current password", "New Password" with the label "Enter new password and confirm", and "Confirm Password". Below the fields are "Save" and "Cancel" buttons.

- You will see a message that your password was successfully updated.
